

### 4 compartment bookstore

A fully mobile unit, with two lockable castors and 4 deep compartments, to cope with large books. Great for either library or classroom use. Please note - the castors are designed for the internal use only, and should not be wheeled on uneven surfaces.

111.004.000	Special	Height	580	Depth	465
111.004.001	Swiss Pear			Width	615
111.004.002	Beech				
111.004.003	Oak				

### 6 compartment bookstore

A fully mobile unit, with two lockable castors and 6 deep compartments, to cope with large books. Great for either library or classroom use. Please note - the castors are designed for the internal use only, and should not be wheeled on uneven surfaces.

111.004.010	Special	Height	580	Depth	465
111.004.011	Swiss Pear			Width	895
111.004.012	Beech				
111.004.013	Oak				

### Bookbox

Available in beech or Swiss pear and red finish, our bookboxes are fully mobile. Convenient low level book storage ideal for the reading corner.

111.004.020	Special	Height	410	Depth	460
111.004.021	Swiss Pear			Width	615
111.004.022	Beech				
111.004.023	Oak				
111.004.024	Genesis				

### Big bookbox

A deeper variant of our standard bookbox. Fully mobile and sturdy too, our big bookbox is ideal for storing those larger books. Swiss pear option supplied with red end panels.

111.004.030	Special	Height	580	Depth	465
111.004.031	Swiss Pear			Width	590
111.004.032	Beech				
111.004.033	Oak				
111.004.034	Genesis				

### Storyteller

The perfect answer to storing and displaying larger books. The sturdy shelves will safely store big books while the easel gives an excellent display area. Fitted with four castors, two of which are lockable.

111.004.040	Special	Height	835	Depth	505
111.004.041	Swiss Pear			Width	690
111.004.042	Beech				
111.004.043	Oak				

### Display easel

A fresh approach to displaying larger material. The display surface folds from the front of the unit to provide a large comfortable area to work from. The top of the unit doubles as a storage area, so items can be brought out as required. Complete with 4 x F2 trays.

\*Red Trays as standard (please see page 3 for details)\*

### Library trolley

This practical, double-sided trolley has plenty of easily adjustable shelf space for you to arrange your reading material.

111.004.060	Special	Height	915	Depth	500
111.004.061	Swiss Pear			Width	850
111.004.062	Beech				
111.004.063	Oak				

### Media store

A new concept in mobile book storage and display—a sturdy and stable unit which acts both as a library and display area. The shelves are readily adjusted to the perfect sizes to store videos, DVDs and CDs. Strong bars hold the resources upright in the door displays. Shaped handles ensure easy moving around.
