PEACE OF MIND

Designed in Denmark over forty years ago by Rudolph Koreska, 'Reska' has withstood the test of time and is by far the most widely used Cantilever Shelving System in the UK.

Reska is exclusively manufactured in the UK by Prefect Equipment to BS 4875-7: 2006 Part 7 and BS 4975-8: 1998 Part 8 ensuring a high quality finish, quick lead times and unrivalled after sales service.

RESKA SHELVING

This versatile shelving system offers a wide range of specialist shelves and accessories to suit your Library. reska shelving can be quickly adapted to meet your changing needs and is quick and easy to construct, saving down time and minimising disturbance.

Overhead Light Units

Integrated lighting operated by a PIR Motion Sensor

WALL MOUNTED BAYS

Available in five heights, see overleaf.

SHELF PROFILE

reska shelves have been designed with a rolled front face adding strength and allowing for display strips to be inserted.

SHELF OPTIONS

A wide range of shelf options has been made available to suit your needs, all available in three widths, 750, 900 and 1000mm. See pages 6 & 7 for details.

A STYLISH SYSTEM

A stylish system well suited to your environment.

5 HEIGHT OPTIONS

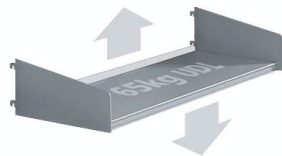

Wall Bars are available in five heights 1030, 1380, 1680, 2030 & 2530mm. Note: Free standing uprights available in different heights, see opposite.

SHELF ADJUSTMENT

Shelves can be raised or lowered by 25mm increments making this system extremely versatile.

QUICK BUILD SYSTEM

reska shelving can be adjusted as quickly as it can be built.
