"No More Throwing Away Stained Clothes"

NZ Business Magazine: Dec 2010.

"Paint stained uniform really are a thing of the past"

NZ Educational Gazette: Dec 2010
Ministry of Education Magazine

Until now it has been thought to be impossible for a school paint across the full colour range to wash out of kids' clothes. But Total Wash changes all that as this educational paint is designed to totally wash out of school clothing quickly and easily.

Even garments painted weeks before can be removed by just soaking in water for 20 to 45 minutes.

Designed to wash from most fabrics quickly and easily without all the fuss.

It couldn't be easier than this....

1. Rinse any excess paint from clothing.
2. Machine wash in warm water using a detergent suitable to the fabric. Repeat if required.

This paint also washes out of fabrics just by soaking in warm water for 20 - 45 minutes.

- A safe and non-toxic high-grade wash-off poster paint.
- Ideal for art education or large-area poster painting, stencil and printing techniques, finger painting and general artwork.
- Ready-made for instant use, it will not separate or spoil with no shaking or stirring required.
- The strong-pigmented bright tones offer a wide selection of traditional colours that can be mixed together to create customized tones.
- Colours are highly opaque and dry quickly giving a strong even matt finish and good coverage.

GLITTER PAINT

TRANSPARENT PAINT BASE

500ml
All colours
12 per carton

250ml
All colours
12 per carton

60ml
All colours
20 per carton

- Non-toxic, bright, shiny glitter in a transparent paint base.
- Easy to use and fast drying.
- An ideal craft paint for adding special effects and highlights to art and craft projects.
- Use to paint decorations, puppets, masks, on plaster models and over different coloured paint, providing contrast and vibrance.
- For full colour and glitter effect, apply with a very thick coating. For highlighting, final touches and special effects, use a thinner coating for more transparency.
- Wash up with soap and water.
